

A BIG STEP FOR MARBLE

ZENESIS™

PATTERNED DIAMOND MARBLE BLADE

ZENESIS™ announces the latest addition in its high profile line-up: **ZENESIS™ MARBLE BLADE**. **ZENESIS™** now offers its exclusive pattern technology in a bridge saw blade designed to cut marble and other soft stone products. As expected, this **ZENESIS™** blade offers exceptionally smooth, fast, and chip-free cutting on all types of marble. This is guaranteed to set the standard of performance for the marble fabricators everywhere.
