1/2" Gas Z-Thin Wall Core Bit

Z-Thin Wall Core Bits with 1/2" gas arbor may be the best CNC core bit on the market. The soft bond is designed for fast cutting in hard materials like granite, quartzite and DEKTON®*. The thin wall segment makes chip free holes and helps prevent blowouts on the bottom.

*DEKTON® is a registered trademark of Cosentino Global, S.L.U.

Part No.	Diameter	Segment
ZETWCB30P025R	1"	9.5mm
ZETWCB30P032R	1 1/4"	9.5mm
ZETWCB30P035R	1 3/8"	9.5mm
ZETWCB30P038R	1 1/2"	9.5mm
ZETWCB30P051R	2"	9.5mm
